REMINDER:

SCHOOL STARTS 8:40, DISMISSAL 2:50

DURING DROP-OFF AND PICK-UP:

- **Follow the guidance from the traffic safety volunteers in the orange vests.** They manage traffic flow and ensure buses get through. Volunteers get their own kids here and then give their time for all our kids' safety – they deserve appreciation and respect.
- Please have your kids sit in the back seat (it's the law) and all kids should exit/enter cars on the passenger (right) side. This may mean you have to rearrange car seats, but it helps things go smoothly for everyone.
- **DO NOT BLOCK INTERSECTIONS!** Buses need a lot of space to turn the corners.
- **ONLY volunteers should open vehicle doors to ensure everyone's safety.**

Our volunteers are here to help!

If you're not sure what to do, just ask someone.

And we would love for you to join us!

Morning or afternoon, shifts are only 30 minutes.

Get to know our community & meet lots of friendly faces.

MORNINGS:

- Volunteers are by the circle and on the playground **starting at 8:25.** Kids cannot be dropped off any earlier, except to eat breakfast in the cafeteria.
- Pull down the **center** of NE 109th, leaving room for the bus lane along the curb.
- Children should be ready to exit the vehicle with their backpacks and coats.
- **DO NOT** let your children out in the middle of the block without a volunteer there to accompany them.
- Pull all the way up to the traffic safety volunteers at the circle. They will open the door and see that your children make it from the car to the sidewalk safely.
- All children should exit on the passenger (right) side.

AFTERNOONS:

- **Volunteers are by the circle starting at 2:45.**
- Pull down the **center** of NE 109th, leaving room for the bus lane at the curb. Please do not park on the gravel/left side of 109th as that space needs to be left open for passing traffic.
- **DO NOT LEAVE YOUR VEHICLE!** And please turn off engines – idling pollutes.
- If you are in line and see your child, and if you can safely pull forward on the left side, you are allowed to do so.
- Pull up to the volunteer signaling to you. Volunteers will open the door and see that your children make it from the sidewalk to the vehicle safely.
- If your child is not at the pick-up area when you pull up, you may be asked to drive around the block to the back of the line. This is necessary to maintain traffic flow. We cannot allow parking in the staff lot to wait for kids to exit.
- To keep the line moving efficiently, we encourage kids to buckle themselves in, so that you can be on your way and make room for the next vehicle.
- Please watch the sidewalks and crosswalks carefully!
